Announcement of winner at El Dorado High School's Senior Awards Night

\* The Patricia Hayes Community Service Scholarship will write a check directly to the designated college institution of the award recipient.

In memory of Patricia Hayes and to honor her life of service to the community, her friends and family have established a scholarship fund to be awarded annually to college-bound senior students from El Dorado High School who have demonstrated extraordinary compassion and service to others. "Pat" is also in the El Dorado Athletic Hall of Fame for her many years of service to the school, which stretched well beyond those in which nine of her ten children and 2 grandchildren attended. ■
